

# THE FOUNDATION FOR THE PROMOTION OF THE MONTMARTRE MUSEUM

---

Working under patronage of the Fondation de France, the Fondation pour le Rayonnement du Musée de Montmartre (Foundation for the Promotion of the Montmartre Museum) aims to showcase, notably through the Museum of Montmartre, the intense artistic and social profusion of the “Butte Montmartre” throughout the second half of the 19<sup>th</sup> century and the first half of the 20<sup>th</sup>.

## OUR ACTIONS

In 2014, the Foundation contributed to the restoration and furnishing of Suzanne Valadon’s studio. Left uninhabited for decades, it finally opened its doors to the public in October 2014.

# OUR MAIN PROJECTS

---

- **Creation of an educational program for the youth and other populations disadvantaged in terms of access to culture**

This bespoke programme will enable schools located in under-privileged areas, as well as community and social centres and neighbourhood associations, to enjoy access to the Museum, the artist's studio and gardens.

- **Creation of a dedicated space for introducing visits, including the showing of a specially produced historical film**

Donations will be used to produce a short film, to design adequate scenography for the space and to set up the multimedia room.

- **Creation of a young talent programme**

This initiative will host a series of exhibitions dedicated to young contemporary artists at the Hôtel Demarne, a 19<sup>th</sup> century mansion which has recently been restored.
